Set up 3 Challenge Question and Answers

✔ For increased security, you need to select three challenge questions

Edit Challenge Questions

Select questions and enter answers that only you know and that you will remember. We will use these questions to help verify your identity when we see different behavior.

What breed was your first dog?	▼	<input type="text"/>
What is your oldest sibling's birthday month and year?	▼	<input type="text"/>
What was the name of your first stuffed animal?	▼	<input type="text"/>

Set up a Security Phrase

✔ You need to setup your Security Phrase. Please follow the instructions below.

Edit Security Phrase

A Security Phrase is a memorable phrase that you choose. For your security, ensure that this unique Security Phrase is always visible on the Security Code page to verify that you are not on a phishing site.

Enter a memorable phrase that will be displayed on the Security Code page each time you login. This phrase can help you verify the authenticity of this web site. **Do not use sensitive information such as account number, Security Code, or social security number in your phrase.**
